 2. You may submit one to five entries, but each photo must be identified with your name, address, phone number and title even if all photos are sent in the same envelope.
 3. All entries become the property of *Cottager's Publications* and will not be returned. *Cottager's Publications* will have exclusive rights to use the photographs for any purpose, including publishing your photographs in print or electronic form in future issues, for product reviews, or for promotional purposes without further notice or compensation.
 4. To qualify, a photo must portray a scene or an event at a cottage or a lake
- When choosing the winners of our contest we look for photos that "capture the moment" and show cottage country life at its best.
 - Send us only your best shots; there is a limit of five entries per person.
 - Whether submitting a photo digitally, via e-mail, or sending in a print, quality and resolution are factors in making our winning selections.
 - If you are sending through e-mail, please ensure that the resolution is set high for your camera. We will not consider low resolution submissions as contenders, as they will not reproduce well when printed.
 - If you are submitting a printed photo, make sure it is a high quality print; clear and crisp on photo paper. If you think you've got "a winner" it may be best to get it professionally printed.
